NEW

QUICK RELEASE BUCKLE

Designed and manufactured by TRS, the new quick release buckle is modern in appearance, compact in size and ultra light in weight. Technical innovations include using stainless steel internal moving parts and a lost motion device. The new buckle weighs just 130g and conforms to the latest FIA and SFI standards.

THE LIGHTEST BUCKLE

- TRS - 130g
- Schroth - 175g
- Sparco - 190g
- Sabelt - 190g
